

POLICY USE OF MUNICIPAL RESOURCES DURING AN ELECTION

Policy Statement

The Municipal Elections Act (the Act), 1996, as amended, establishes regulations governing campaign finance for candidates running in a municipal election. Section 88.8 (4) of the Act prohibits municipalities from making campaign contributions to municipal candidates.

The Election Finance Act, 1990, as amended, and the Canada Elections Act, 2000, as amended, establish regulations for candidates and parties running in provincial and federal elections. Section 29 (1) of the Election Finance Act and Section 363 (1) of the Canada Elections Act prohibit a municipal corporation from making campaign contributions to any candidate, political party or constituency association in a provincial or federal election.

As a campaign contribution may take the form of money, goods or services, therefore any use of corporate resources for election related purposes, by candidates or staff, is not permitted.

The purpose of this policy is to ensure compliance with the Municipal Elections Act, the Election Finance Act and the Canada Elections Act, by clarifying for candidates, current members of City Council and City staff, the legislative requirements relating to campaign finances.

The provisions identified in this policy are in effect throughout the duration of the campaign period in a municipal election year or in the event of a by-election and from the dropping of the writ to Voting Day in a provincial or federal election.
