

## 2023 AMNESTY WEEK

Tipping fees will be waived for residential waste at the Elliot Lake landfill site on Monday May 29th, **noon** till 7pm, Wednesday May 31st to Friday June 2nd, **noon** till 7pm and Saturday June 3rd, 9am to 5pm.

**Regular tipping fees will be applied to all vehicles entering the landfill on Tuesday May 30th. This is to avoid having the commercial garbage trucks wait in line, as they perform their curbside duties.**

Residents are allowed approximately 2 cubic meters (equivalent of a full size ½ ton truck box) of waste at no charge. When transporting garbage to the landfill, loads must be covered to prevent flying debris as per Solid Waste Management (By-law No. 2012-370). In order to reduce landfill costs and extend landfill life, we ask that waste be separated into metal, yard waste, electronics and household waste piles and have the following items brought to the appropriate places:

**PAINT CANS WITH PAINT:** can be brought to Home Hardware in Blind River

**CAR/EQUIPMENT BATTERIES:** can be brought to Napa

**THINK BEFORE YOU THROW:** can it be donated, sold or upcycled.

**Regular tipping fees will apply to commercial, construction and demolition waste.**

**NOT ACCEPTED** at the landfill are hazardous waste material such as paints and coatings, and containers in which they are contained, solvents, oil and containers, oil filters, batteries, antifreeze and containers, fluorescent lights, fertilizers, fungicides, herbicides, insecticides, pesticides and containers, car bodies, parts and tires.

**Hazardous Waste Day: Wednesday May 31<sup>st</sup>  
between 11am and 7pm at 3 Timber Rd.**
