

2026 AMNESTY WEEK

Tipping fees will be waived for residential waste at the Elliot Lake landfill site on Monday June 1st, **noon** till 7pm, Wednesday June 3rd to Friday June 5th, **noon** till 7pm and Saturday June 6th, 9am to 5pm.

Regular tipping fees will be applied to all vehicles entering the landfill on Tuesday June 2nd. This is to avoid having the

commercial garbage trucks wait in line, as they perform their

curbside duties. Residents are allowed approximately 2 cubic meters (equivalent of a full size ½ ton truck box) of waste at no charge. When transporting garbage to the landfill, loads must be covered to prevent flying debris as per Solid Waste Management (By-law No. 2012-370).

In order to reduce landfill costs and extend landfill life, we ask that waste be separated into metal, yard waste, electronics and household waste piles and have the following items brought to the appropriate places:

THINK BEFORE YOU THROW: can it be donated, sold or upcycled.

Regular tipping fees will apply to commercial, construction and demolition waste.

NOT ACCEPTED at the landfill are hazardous waste material such as paints and coatings, and containers in which they are contained, solvents, oil and containers, oil filters, batteries, antifreeze and containers, fluorescent lights, fertilizers, fungicides, herbicides, insecticides, pesticides and containers, car bodies, parts and tires.

**Hazardous Waste Day: Wednesday June 3rd,
between 11am and 7pm at 3 Timber Rd.**
