2024 LANDFILL AMNESTY WEEK

Tipping fees will be waived for residential waste at the Elliot Lake landfill site on:

Monday, May 27	12 PM(noon) to 7 PM
Wednesday, May 29	
Thursday, May 30	
Friday, May 31	
Saturday June 1	9 AM to 5 PM

Regular fees apply on Tuesday, May 28.

This is to avoid having the commercial garbage trucks wait in line as they perform their curbside duties.

What can I bring to the landfill?

Residents are allowed approximately 2 cubic meters (equivalent of a full size 1/2 ton truck box) of waste at no charge.

When transporting garbage to the landfill, loads must be covered to prevent flying debris *as per Solid Waste Management By-law No. 2012-370.*

The following items are accepted at the locations listed to the right.

DO NOT bring these to the landfill.

How to separate waste.

In order to reduce landfill costs and extend landfill life, we ask that waste be separated into metal, yard waste, electronics and household waste piles

Regular tipping fees will apply to commercial construction and demolition waste.

What is not accepted at the landfill?

The landfill will not accept hazardous waste materials such as paints and coatings and containers in which they are contained, solvents, oil and containers, oil filters, batteries, antifreeze and containers, fluorescent lights, fertilizers, fungicides, herbicides, insecticides, pesticides and containers, car bodies, parts and tires.

EMERGENCY PREPAREDNESS WEEK: PLAN FOR EVERY SEASON

MAY 5 - 11, 2024

Emergency Preparedness Week is a national awareness initiative that encourages Canadians to take three simple steps to become better prepared to face a range of emergencies:

Make a plan • Build an emergency kit • Stay informed

Build an emergency survival kit with enough resources for at least 72 hours, and keep it updated to include supplies for every season, whether you are sheltering in place or need to evacuate. Preparedness is the planning process a family or individual takes to ensure they can survive an emergency. Common sense and preparation is key.

Visit www.ontario.ca/beprepared or www.elliottlake.ca/emergencymanagement for tips and tools on how to prepare your households for emergencies and plan for every season.
