The City of Elliot Lake extends our deepest gratitude to the citizens of Elliot Lake and supporters from across the nation for helping us secure the title of Kraft Hockeyville 2024!

This monumental achievement wouldn't have been possible without your enthusiasm, passion, and unwavering support. From the nomination process to the final announcement, your efforts have made this an unforgettable milestone in our community's history. You should all be incredibly proud of the role you played in bringing this honour to our beloved town.

It was truly heartwarming to see the smiling faces throughout Elliot Lake, both this summer and during

the Community Celebration and NHL preseason game. You helped showcase Elliot Lake's vibrant community spirit to everyone across Canada.

A special thank you goes out to the amazing volunteers and dedicated staff who worked tirelessly to organize and execute the Kraft Hockeyville events both here in Elliot Lake and in Sudbury. Your hard work, sacrifice, and commitment were the foundation of this achievement. None of this would have been possible without you.

Together, we have shown what the power of community can accomplish. Thank you once again for helping make Elliot Lake, Kraft Hockeyville 2024!

Safety Tips for all Trick-or-Treaters

-  Costumes should be light-coloured and flame resistant with reflective strips so that children are more easily seen at night. (And remember to put reflective tape on bikes, skateboards, and brooms, too!)
-  Remind children to walk, slither, and sneak on sidewalks - not in the street.
-  Use face paint rather than masks or things that will cover the eyes.
-  Remind children to look both ways before crossing the street to check for cars, trucks, and low-flying brooms.
-  Provide yourself or the children with a flashlight to see better and to be better seen.
-  Have children plan their route and share it with you and the family.
-  Visit homes that have the porch light on.
-  Remind children not to eat their treats and goodies until they are examined by an adult at home. And candy should not be eaten if the package is already opened. Small, hard pieces of candy are a choking hazard for young children.

Happy Trick-or-Treating from the Clerk's Department!

TREAT ACCESSIBLY™

ACCESSIBLE TRICK OR TREATING

Over 40,000 children in Canada identify as having one or more disabilities. Disabilities that may prevent them from enjoying trick-or-treating with their siblings and other kids.
