

City of Elliot Lake Volunteer Agreement for Those 16 and Under

The City of Elliot Lake is hosting multiple events in the year 2023 that require a large number of Volunteers. According to the City's Volunteer Policy, all Volunteers must submit a criminal record check to the City prior to engaging in any volunteering. In the case that someone is under the age of 16 (sixteen) and is unable to obtain a free criminal record check online, they can sign this letter indicating that they have not been convicted of a prior crime and will submit a criminal record check to the City when able.

I _____ agree that in signing this letter I have signed up to volunteer for one or more upcoming City of Elliot Lake events. I also agree that I have no prior criminal convictions and I will submit a criminal record check to the City once I reach the age of 16 (sixteen).
