

# Plants Maintenance Mechanic II

Full-Time

**Wage Rate: \$30.87/hour**

Elliot Lake offers an exceptional quality of life, a low cost of living and an ideal work-life balance. The area's combination of outdoor opportunities, community organizations, sports, healthcare, low crime rate, natural wilderness and diverse economy help contribute to a great place to live and work!

## **Keep the Water Flowing. Power the Community. Build a Career.**

Join a team that **keeps clean water running** for thousands of people every day! At the City of Elliot Lake, we're looking for a hands-on, mechanically skilled professional who's ready to **make an impact where it counts**.

### **Key Responsibilities**

- Performs routine preventative maintenance on Plants and other Corporation equipment by following the maintenance procedures set out by the manufacturer's service manuals or the Plants Department Maintenance Program. For example: routine oiling, greasing, repairs of broken chemical lines, piping and drain lines, minor repairs to pumps and motors.
- Have basic understanding of the Water Treatment Plant, Wastewater Treatment Plant and Wastewater Collection System.
- Service digester gas system.
- Troubleshooting and repair of equipment that has failed in service. For example, replacing bearings, seals or sleeves on electric motors, pumps or compressors, etc.
- Troubleshooting and repair of minor electrical problems in alarm circuits and electrical circuits.
- Fabrication or rebuilding of some equipment, tools, concrete forms and wooden structures.
- Installation and start up of new equipment and tools.
- Ability to use electric/gas or PVC welding and cutting equipment.
- Repairs and servicing of small gasoline and propane engines as well as hydraulic and electrical systems.
- Ability to properly use safety equipment and tools when working in unsafe or confined spaces.
- Fill out daily work records.
- Submit order list to Working Foreman for restocking of repair parts.

### **Qualifications:**

- Grade 12 Education or equivalent
- Wastewater Collection Licence (Class 1) operator certification is required.
- Water (Class 1) and wastewater (Class 2) operator certification considered an asset
- Knowledge of water treatment plant, wastewater treatment plants and lift stations an asset
- One (1) to two (2) years of experience in a related field.
- Sound knowledge and experience in operation and repair of electrical pumps
- Valid Class "G" Driver's Licence

### **Why Join Our Team?**

- ✓ Great benefits: health, dental, vision, and retirement
- ✓ Paid time off and training opportunities
- ✓ Work that's local, stable, and truly impactful

In accordance with the Ontario Human Rights Code and the Accessibility for Ontarians with Disabilities Act, a request for accommodation will be accepted as part of the hiring process. If you require accommodation, please contact HR.

**CLOSING DATE: Tuesday, April 15, 2025**

**The City of Elliot Lake thanks all applicants. Only those selected for interviews will be contacted.**

**THE CORPORATION OF THE CITY OF ELLIOT LAKE**
