Withdrawal Amount:

Pre-Authorized Tax Payment Plans

How the program works:

Complete the *Pre-Authorized Payment Application* form. Forms can be obtained at City Hall or from our website, elliottlake.ca. Attach a "VOID" cheque or customer account information provided by a financial institution to the completed application and submit them to the City of Elliot Lake's Water Department at least seven (7) business days prior to the start date.

You may mail the completed forms to 45 Hillside Drive North, Elliot Lake, ON, P5A 1X5, email to elwaterandtax@elliottlake.ca, fax to 705-461-7742, or submit in the City's drop box.

For your convenience, we have three Pre-Authorized Payment Plans to choose from.

Option 1 – Equal Monthly Payments for Current Year

This option offers property owners to pay water/sewer fees in 12 monthly withdrawals based on calculations performed by the City of Elliot Lake. Property owners will receive a notice once a year to let them know the amount to be withdrawn from their bank account each month: one letter in December advising what the payments will be starting in January based on annual water/sewer fees determined by City Council. Water/sewer accounts must be up to date at least seven business days before the first withdrawal date. Any debit or credit balance on their water/sewer account may alter the amount of their future withdrawals. Property owners may choose to have their payments withdrawn from their bank account on the 4th or the 15th day of each month.

Option 2 – Payments on Regular Due Date

This option offers property owners to pay 2 water/sewer payments per year based on the annual water/sewer fees. These payments will be withdrawn from their bank account on each water/sewer installment due date. Water/sewer accounts must be up to date at least seven business days before the first withdrawal date. Any debit or credit on their water/sewer account may alter the amount of their future withdrawals.

Option 3 – Payment Amount to be chosen by you

This option offers property owners to choose the amount to be withdrawn in 12 monthly payments. On this plan, the water/sewer account may be charged penalty at a rate of 10% on the day following the installment due date. If at any time the property owner wishes to change the amount withdrawn from their bank account, they must submit a new Pre-Authorized Payment Plan application at least seven business days prior to the next withdrawal date. Property owners may choose to have their payments withdrawn from their bank account on the 4th or the 15th day of each month.

Terms & Conditions: If you sell your property and purchase another, your Pre-Authorized Payment Plan is not transferable. The Pre-Authorized Payment Plan must be cancelled by written request for the property you are selling and a new *Pre-Authorized Payment Application* form must be filled out and submitted to the City in order to start payment for the property you are purchasing.

Any changes, including bank information or cancellation requests must be submitted at least 7 business days prior to the next withdrawal date. Notification must be completed by using the City's prescribed form. Failure to do so may result in charges if returned by a financial institution.

Per the City of Elliot Lake's User Fee By-law, there will be an administration fee charged for all payments returned by a financial institution. These fees will be included in your Pre-Authorized Payment plan. Calculations will be done by the City of Elliot Lake. If the payment withdrawal amount has changed, the City will send notification at least ten (10) calendar days before the next scheduled withdrawal.

The City of Elliot Lake does not attempt to withdraw the payment a second time on returned items. Water/Sewer accounts with two (2) returned items within a twelve (12) month period will automatically be removed from the Pre-Authorized Payment Plan and the customer will be responsible to pay their water/sewer fees on their own. Where applicable, penalty of 10% will be charged. These water/sewer accounts must be up to date before a new application is processed.
