'TIS THE SEASON TO BE FIRE SAFE!

Prevent These Leading Causes Of Fire During the Holidays.

▲ **Cooking** is the leading cause of fires during the holidays. **Always stay in the kitchen** while cooking!

◀ **Heating equipment** is the second leading cause of fires during the holidays. Heating systems and chimneys should be **inspected and cleaned annually** by a qualified service technician.

▼ **Smoking** is the leading cause of fatal fires during the holidays. Butt-out cigarettes in **large, deep ashtrays**.

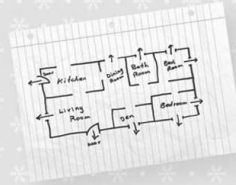

▲ **Alcohol** is a factor in approximately one in five fatal fires during the holidays. **Drink responsibly during the holiday season.**

Fire Moves **FASTER** Than You!

You Need To Be Responsible For Your Family's Fire Safety!

Install **smoke and carbon monoxide alarms** in your home. Test them every month.

Practice a **home fire escape plan** so everyone in your home knows what to do when the smoke and carbon monoxide alarms sound in an emergency.

C'EST LA SAISON DE LA PRÉVENTION DES INCENDIES

Prévenir ces principales causes d'incendie pendant les vacances.

La **cuisine** est la première cause d'incendie pendant les vacances. Restez toujours dans la cuisine pendant que vous cuisinez.

Les **équipements de chauffage** sont la deuxième cause d'incendie pendant les vacances. Les systèmes de chauffage et les cheminées doivent être inspectés et nettoyés annuellement par un technicien qualifié.

Cigarettes est la première cause d'incendies mortels pendant les vacances. Éteignez les cigarettes dans de grands cendriers profonds.

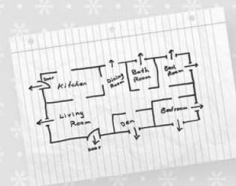

L'**alcool** est un facteur dans environ un incendie mortel sur cinq pendant les vacances. Buvez de façon responsable pendant la période des Fêtes.

LE FEU SE DÉPLACE PLUS VITE QUE VOUS!

Vous devez être responsable de la sécurité incendie de votre famille

Installez des avertisseurs de fumée et de monoxyde de carbone dans votre maison. Testez-les tous les mois.

Pratiquez un plan d'évacuation en cas d'incendie pour que tous les occupants de votre maison sachent quoi faire lorsque les avertisseurs de fumée et de monoxyde de carbone se déclenchent en cas d'urgence.

A NIGHT ON THE TOWN THANK YOU!

The City of Elliot Lake would like to extend a huge Thank You to the Local Businesses who participated in "A Night on the Town" and for your generous donations towards the gift baskets for the evenings draws.

On behalf of the local business community we would also like to extend our appreciation to all who came out and supported our local businesses.

Shopping local creates jobs, strengthens our community and helps promote reinvestment in the City!

SOCIETY FOR ANIMALS IN DISTRESS UPDATE

Unfortunately, the requirements to rehabilitate the premises on Perini Road are beyond our capabilities and further, our insurer will not extend coverage for repairs. Fortunately, With the support of Mayor and Council, we have entered into a 3-year lease for part of 37 Timber Road. The renovations will commence early in the New Year with services becoming available shortly thereafter. This move will have an impact on our operating budget and our donation and fundraising requirements will increase accordingly. We are putting out the call to local contractors seeking to donate their services towards the renovation.

With our new home comes a rebranding. We are also proud to announce that going forward we will be known as "Forever Homes and Lodging, Society for Animals in Distress."

We extend our sincere appreciation to everyone who offered support: the City of Elliot Lake and staff, our Mayor and Council and everyone who donated money and voiced their encouragement during our crisis.

Staff, Volunteers and the Board of Directors of Forever Homes
