NO MOTORIZED VEHICLES ON X-COUNTRY SKI TRAILS

As the snow picks up the City would like to once again remind citizens that riding motorized vehicles on the Bob Stirling Trail Network located off of Spine Beach is not permitted.

These trails are meant for non-motorized uses only and are maintained by volunteers who dedicate countless hours to their upkeep and maintenance which is all undone once an ATV or Snowmobile rides on them. This is not only disrespectful to the volunteers but also dangerous to those using the trails for their intended purpose and could also result in the motorized riders facing fines under a variety of City bylaws.

Please respect the trails so that everyone may continue to use them safely throughout every season.
