RE: Emergency Water Shut-Off Notice for 43 – 57 Roman Ave.

Dear Occupant:

Please be advised the water service in your area will be shut off today, Monday August 17, 2026 at approximately 10am for an emergency water main break repair. **Please refrain from using any water** until it is restored upon completion of the repairs. Occupants may experience reduced water pressure and or water discolouration for a temporary period once the water supply has been restored.

Please run your cold water taps for a minimum of 20 minutes before using any appliances such as washing machines and dishwashers to clear any possible water discolouration. Do not attempt to use any hot water until your cold water is clear as it may cause damage to your hot water tank.

Should you have any questions or concerns please call (705) 848-2287 ext. 2600. Thank you for your cooperation.

We thank you for your patience.

Yours truly,
